- Højre frontzone: 1200/1800W/145mm
- Højre bagzone: 1800W/180mm

Precise heat control with Touch Controls

The Touch Controls user interface is designed for effective temperature control. Simply select the zone and select the power level using the plus or minus buttons. Precision for every step of the recipe, always resulting in great taste.

Quicker heat for extra speed with PowerBoost

No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat, boiling water in under 90 seconds. It's perfect for tasks like boiling a large pot of water quickly.

Hob timer. Built for precision

The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

Perfectly safe for your children with Child lock

The child safety lock ensures that the hob settings cannot be accidentally changed, so you can use the hob safely when your children are around.
